Headteacher: Mr A Ramsden (BEd. Hons NPQH)

Dear F2 Parents/Carers

As part of the Early Years curriculum your child will be exploring tasting and baking food each week. We have found these practical sessions enhance the children's learning and have been invaluable in developing skills in the following areas:

- Numeracy
- Speaking and listening
- Science
- Reading
- Writing
- Social skills

There is obviously a cost in providing ingredients each week and would be grateful for a voluntary on-line contribution of **£15.00** equating to £5.00 per term. This amount will cover baking and tasting sessions for the whole year.

A named plastic box with a clips lid will be required for the children to bring home their creations.

Please ensure you have listed any allergies on your child's data collection form.

Your ParentPay account will be updated in the new academic year.

Kind regards,

Ms Milburn  
Teacher/DT Leader
