

## SCHOOL CODE OF CONDUCT

In line with the teachings of the Bible, our school positively reinforces the importance of forgiveness, love and faith. Our children are expected to demonstrate high levels of conduct to reflect these teachings. We see ourselves as a 'school family' which is linked to our wider 'church family'. As such, the staff and children treat each other as one would expect a family member to treat another.

Our Code of Conduct as devised by the children:

1. Always be polite to others
2. Treat others as you yourself would like to be treated.
3. Be helpful to visitors.
4. Be responsible for yourself.
5. Practise good table manners.
6. Keep the school tidy.
7. Travel around the school safely.
8. Be quiet and still when the whistle is blown.
9. Take pride in your work as well as your behaviour.
10. Do not interrupt when others are talking
11. Care for the school pets.
