Dear Parents

As you are aware, the results of the 11+ examination will be made available online on Friday.

I am writing to respectfully request that you do not contact your child throughout the school day with the result of the examination or divulge this information on Social Media.

As you can imagine, this can be a very emotional and distressing time for some children and they can become very unsettled when their classmates are finding out their results at different points throughout the day. It is also possible that a child may find out that they may be separated from their friends. All in all it is better that such situations are dealt with at home at the end of the day.

Thank you for your support in this matter. If, however, there are any concerns or questions concerning the examination results, please feel free to come in and speak with me.

Kind regards,

Yours sincerely
Mr A Ramsden
Headteacher
