Dear Parents/Carers

Essential the school catering company have requested that we supply them with an updated register of pupils who have been identified with **an allergen/suspected allergy or intolerance** to certain food groups.

Parents/Carers will need to supply medical confirmation from the pupil's GP and/or Pediatric Dietician verifying the child's ongoing dietary requirements, for example egg intolerance.

Please complete the slip below and attach medical confirmation of your child's allergy and return to the school office as soon as possible.

Your sincerely
 Mr A Ramsden
