

Dear Parent/ Guardian,

We are delighted to be returning to **Oxton St Saviour's Primary School** to run our latest Digital Wizards club with lots of exciting new activities using amazing technology.

Kate Barrett recommends Digital Wizards.

My son thoroughly enjoyed digital wizards at his school! Every session he had so much fun and learnt so much! Amazing! Thank you

Matthew Riley recommends Digital Wizards.

Digital wizards attended my daughters school this term and she absolutely loved attending the sessions! Many thanks

Kristina Stacey recommends Digital Wizards.

My son loved the sessions - lots of variety, well led, really enjoyable (and wants to learn more)! Thank you!

Your child will have fun using thousands of pounds' worth of the latest technology whilst also developing vital STEM skills in Computing, Maths, Science, English, Music and DT. Activities include...

Build & Code Robots

Build and bring your very own robot to life. Choose from many different models then use motors, sensors and code to bring the project to life...

Virtual Reality

Immerse yourself in different worlds with our Virtual Reality experience! From riding a roller coaster to visiting a movie set – the choice is yours!

Robot Racing

Drive and code one of our amazing robots! Have fun racing through a range of different courses, obstacles and activities.
