

Environmental Health Visit

Little Acorns received a visit from the Environmental Health inspector on 20th March.

We are pleased to inform you that they received five stars, which is the highest rating.

Well done to the Little Acorns team.

Food Festival

Thank you so much for your wonderful food contributions. We had such a variety representing all the different countries chosen by each class.

Parent's did an amazing job with the children's costumes.

A lots of organisation and hard work went into making this event such a great success. I would like to thanks Miss Milburn who lead the event and to the staff who helped with the organisation.

OXTON ST SAVIOUR'S NEWS

March Newsletter 2019

He makes springs pour water into the ravines; it flows between the mountains. Psalm 104:10

A message from Mr Ramsden

This term has flown by and with Easter being late the Easter service and Eggstravaganza are both being held during the first week back.

I have received the draft Ofsted report and am hoping the final report will be out before we break up.

For all known up and coming events, please refer to the calendar on the school website. School will close at 2:00 p.m. on Friday 29th March for half term. Have a great Easter.

Parents evening

Parents evening ran really smoothly with lots of positive comments. A big thankyou to our year six helpers who did a great job on the two evenings and also ate all of my biscuits!

Year Six visit to Oakland's

We had a fantastic time at Oakland's. We did lots of fun activities. On the first day we attempted the Dingle which is a blindfolded team building activity. On the second day we spent the whole day down the slate mine. We climbed up a waterfall and paddled across an underground lake. On the final day we went gorge walking which was amazing. Thankyou for all of the staff who organised the trip and looked after us so well.

By Sam and Oscar.

Car parking

This seems to be a standard item at the moment. Since the last newsletter we have had a near miss with a child walking out between two cars and one of our children's grandparents fell over on the bank trying to get round a car parked on the double yellow lines. Myself and the Governors will be writing to the persistent offenders. It is only a handful of the same parents and thank you to the vast majority who make the effort to arrive earlier or park at the top of the hill and walk down.

This is Bolu's amazing entry to promote our new mission statement for school.

Stem Week Science2U show:

'I enjoyed the interaction with the audience and I liked the simple explanations of how our bodies work. I thoroughly enjoyed it and I wanted it to be longer.

I particularly liked the part on white blood cells.' JH

'We made bath bombs of different colours. Did you know that you can sweat up to 100-150ml a day.' ZW

'Today's assembly was very educational. We learnt about the human body and DNA. DNA has genes that create ginger hair, blue eyes, make you able to roll your tongue and wriggle your ears.' HG

'I really enjoyed the Science Show, it helped me to understand the way the human body works. My favourite part was learning about the white blood cells and how they fight off viruses like Rhinovirus (common cold)' CL

Don't forget the Journeys Expedition on 28th March in the School Hall at 3:30 p.m. All welcome.

Commando camp is back! Ages 5-12, £20 per day. 1st- 5th April 9am to 3.30pm. Drop off from 8.30am. Activities include Assault course, team building, soccer darts, multi-skills, bush craft, mega slide and zorbs. Book online - www.msescchools.co.uk

Dear God
Thank You for loving me
and giving me Your all
When I grow up, I will still
be serving You
I want to know You more
I want to love You more
I will never forget You Lord
In Jesus name
Amen

SPORTS NEWS!

By Alice & Hattie

On the 14th March the junior cross country team represented the school at an event at the Oval. We did really well, both the girls and boys girls team came fifth overall. We really enjoy competing for the school and thanks to Miss Gerrard for organising us.

PE Newsletter

Miss Gerrard will shortly be sending out her PE newsletter informing parents of recent sporting events that have taken place.
