Information about our Governing Body

Welcome to Governing Body

The governing body is the school's accountable body. It is responsible for the conduct of the school and for promoting high standards. The governing body aims to ensure that children are attending a successful school which provides them with a good education and supports their well-being.

As governors of the voluntary aided school with religious character we have a legal responsibility to ensure that the school is conducted according to the Christian values and the teachings of the Church of England.

However, whilst all governors share the same generic responsibilities it is the foundation governors who are appointed in order to fulfil special legal responsibilities.

SAFEGUARDING
