

Hot Cross Bunny

Who's in a tizzy,
who's in a flap,
who's got a great big frown?
Who's in a tizzy,
who's in a flap,
who's jumping up and down?

*He's a hot cross bunny
and it's not funny
cos he's lost his Easter eggs.
He's a hot cross bunny
and it's not funny
cos he's lost his Easter eggs.*

Who's got a niggle,
who's in a huff,
stamping his rabbit feet?
Who's got a niggle,
who's in a huff?
he's got no eggs to eat.

*He's a hot cross bunny
and it's not funny
cos he's lost his Easter eggs.
He's a hot cross bunny
and it's not funny
cos he's lost his Easter eggs.*

Who's hot and bothered,
who's in a grump,
who's looking high and low?
Who's hot and bothered,
who's in a grump,
where did his eggs all go?

*He's a hot cross bunny
and it's not funny
cos he's lost his Easter eggs.
He's a hot cross bunny
and it's not funny
cos he's lost his Easter eggs.*

Who's in a tizzy,
who's in a flap,
who's got a great big frown?
Who's in a tizzy,
who's in a flap,
who's jumping up and down?

*He's a hot cross bunny
and it's not funny
cos he's lost his Easter eggs.
He's a hot cross bunny
and it's not funny
cos he's lost his Easter eggs*
