

Y4 – WEEK 7 Home Learning

Lots more exciting activities have been added!

Weekly Maths Tasks

If your child is struggling have a look at the maths from the year below.

- Working on [Times Table Rockstars](#) - your child will have an individual login to access this.

- **WORLD RECORD EVENT!**

Visit the link below for more details

- <https://trockstars.com/page/gwr>
- '[Numbots](#)' This is the same login as TT rockstars – no uppercase letters.
- Get a piece of paper and ask your child to show everything they know about **Money** This could be pictures, diagrams, explanations, methods etc. They can be as creative as they want to be.
- We have now moved our maths learning to <https://thenational.academy/> This is all online so there is no need to print worksheets. This week begins with measures. If you prefer worksheets then please use bitesize.
- BBC have launched videos and activities to support learning. www.bbc.co.uk/bitesize
- Fluent in five. A great way to keep those arithmetic skills going. (in files)

Weekly Reading Tasks

- Listen to your child read and let them discuss what they have read. Encourage them to read with expression and intonation.
- Watch [Newsround](#) and discuss what is happening in the wider world.
- Complete a comprehension from your homework book.
- If you haven't already please complete a book review. (format in the literacy counts file)
- Get your child to read a book on [Oxford Owl](#), discuss what your child enjoyed about the book.

Weekly Spelling Tasks **15 mins per day**

Weekly Writing Tasks

- Practise the Year 3/4 for [Common Exception](#) words.
- Complete the activities for this weeks spelling rule – Summer Week 5.
- Practise your spelling rules on [Spelling Frame](#)
This is a lovely resource, including games and a little test! It's also good for CEW practise.
- Have a look at the CEW activity booklet if you prefer paper, as opposed to technology! (in files)
- Choose 5 Common Exception words and practise spelling them using bubble letters.

- Choose a piece of writing from our Roman topic grid.
- Complete page 11 from Literacy counts. (in files)
- Visit [authorfy](#). Join the website so you can access videos, author master classes and other activities.

Learning Project - to be done throughout the week

ART

Make repeated pattern prints for decorative purposes using various natural materials, e.g potato printing or create some still life observational sketches of fruit. Look at the artwork of [Giuseppe Arcimboldo](#) Maybe recreate some of his paintings with fruit.

<https://artsmartforkids.wordpress.com/art-projects/giuseppe-arcimboldo/>

SCIENCE

Watch this short clip about static electricity then try the activity below:

<https://www.youtube.com/watch?v=jLRqUphpvMc>

Try this simple static electricity experiment, Can you think of a different scene?!

<https://www.kiwico.com/diy/Arts-and-Crafts-Projects/1/project/Graveyard-Boogie/2511>

HISTORY

<https://www.bbc.co.uk/bitesize/topics/zqtf34j> - some good activities and short clips for romans.

Choose an activity from our Roman topic grid.

GEOGRAPHY – Digimaps – this is a fab resource which is currently free until 31st July.

PE

There will be a Tranmere Rovers Football Club PE challenge being emailed out to KS2 parents. We would like to have an afternoon of fun. There are lots of different games and activities to choose from. You won't need much equipment and there is an activity at the start that helps you find and collect useful things! We would like you all to complete it on Wednesday 20th May. Please send any photos/videos to our class email and tweet us your photos and tag [@TRFCcommunity](#) and [#JOMhomefestival](#)

PSHE

Be a First Aid Champion!

Learn some vital First Aid skills! Take a look at the link below:

<https://firstaidchampions.redcross.org.uk/primary/>

Additional learning resources parents may wish to engage with

[Classroom Secrets Learning Packs](#) - These packs are split into different year groups and include activities linked to reading, writing, maths and practical ideas you can do around the home.

[Twinkl](#) - to access these resources click on the link and sign up using your own email address and creating your own password. Use the offer code UKTWINKLHELPS.
