

Hi Cherry Blossom!

It was lovely to see some Year 4 faces this week. I'm sure they will agree that school is a very different place now. We have to keep a safe distance apart, sit at our own desk and not mix with other 'bubbles.' We are also experts at washing our hands – as I'm sure everyone is! Everyone did really well at adjusting to our new normal.

I really enjoy receiving your emails and reading all about the activities you have been working on. Sam wrote a fantastic cartoon strip for 'The clock tower,' Freya has been working really hard on her spellings and Izzy has been planning a science experiment for the competition! Well done everyone.

It made me smile this week when Amaya scooted past with her dad, I almost missed her she was so fast! It was lovely to talk to you and your dad.

Well, what a windy weekend, I have some flower casualties and my mini greenhouse blew over scattering my chilli seeds. I suppose it was a good weekend to fly a kite!

Buster has taken to stealing again! His favourites this week are shoes, wrappers and we even found £5 in his bed. He must be saving up for his haircut!

Fingers crossed the sun shines for us all this week.

Take care and keep smiling!

Mrs Wilkinson xxx

Don't leave anything unattended!
