Headteacher: Mr A Ramsden (B.Ed. Hons NPQH)

15th June 2020

Dear Parents/carers,

As you are probably aware the Government have announced that they would like a wider reopening of schools. We were very pleased to welcome back Year 6 today; they are in two bubbles and when at full capacity we are able to accommodate 28 children.

For the last two weeks we have had all available staff in school and we have offered places to all vulnerable and key workers' children. The capacity for each bubble is 12-14 pupils depending on the physical classroom size. At present, each 'bubble' is nearly full and we have not got the space or the staffing to allow many more children back safely. Year 1, in particular, is full for the majority of sessions. Therefore, unless Government guidelines change we will be unable to take in any more year groups. Our sincere wish is to get as many children back into school as possible, however, unless there is a change to guidelines we will have to keep things as they are.

If you are a key worker it is imperative that you let us know which days you require if they are to change. This could allow us to offer a part-time place to another child. Please let us know by Thursday for the following week.

Thank you for your continued support and understanding during this difficult time.

Warmest regards

Mr Ramsden
