3rd September 2020

Dear Parents/Carers,

The children have settled in really well back into school and it is great to see them all back in the 'new normal'. It is fantastic to see everyone looking really smart in their winter uniform – it is definitely setting the right tone for the start of the academic year. The next few weeks we will be focusing on getting the children used to the new routines and assessing where they are up to.

When dropping off in the morning can you please use the pedestrian gate to enter the school and the carpark gate to leave. Can we also ask that parents do not enter the building as this could compromise our bubbles. If you need to speak to a class teacher or any member of staff please go to the school office or email your class teacher.

As you are probably aware the kitchen is presently closed: the £200,000+ refurbishment is due to start on Monday 7th September and expected to last for five weeks. We do not anticipate any changes to entering and leaving the school. At the moment we are only able to offer a sandwich option. This consists of: a choice of sandwich; piece of fruit; packet of crisps; homemade biscuit or cake and a bottle of water. Currently the lunches are prepared on site, again, this may be subject to change. If you want to send any additional food to supplement this please feel free to do so. A reminder that snacks need to be the healthy option e.g. piece of fruit or healthy cereal bar.

Thank you, once again, for your continued support during these unprecedented times.

Yours sincerely,

Mr Ramsden
Headteacher
