Dear Parents/Carers,

The COVID19 rate on the Wirral has risen by 25% since last week and an announcement is imminent of a potential further lockdown of pubs and restaurants across Wirral. As far as we are aware schools should be unaffected.

We have recently undertaken a review of drop offs and pick ups to and from school. Mornings are going really well, there is however, room for improvement at pick up times:

- Reception, Year 1, Year 2 and Year 3 should be picked up at 3:15pm (with siblings)
- Years 4, 5 and 6 at 3:25pm

Once you have collected your child(ren) can you please leave immediately via the top gate, unless otherwise directed. On a couple of occasions we have had infant parents still on the playground when the juniors are coming out, which has caused a lot of congestion. If you need to talk to any other parents or staff can you arrange another time to do so, rather than on the way out of school. There is not enough room on the paths both inside and outside of school.

With the Year 3 class could you please wait for the teacher to dismiss the children rather than standing near the line – this is to ensure clear social distancing.

Please remember that there are no dogs allowed on the school property – this is a Wirral policy for all schools.

Finally, on a very positive note, following a meeting with our Local Authority Attendance Officer we are one of the top 4 schools on the Wirral for attendance since coming back in September.

Thank you for your continued support during these unprecedented times.

Yours sincerely

Mr Ramsden and Miss Shaw
