

**DO TRY THIS AT HOME**

Featuring: **Marvin and Milo**

What you need: • A raw egg • A hard-boiled egg

issue #4

Amaze your friends with this clever trick

First, spin the hard-boiled egg.

Stop it and let go immediately.

Watch what happens.

Now spin the raw egg.

Stop it and let go immediately.

The egg starts spinning!

The yolk and white aren't attached to the shell so they carry on moving when you stop the raw egg.

Get a friend to mix up the eggs and use the trick to tell them apart.
